Cautionary statement

All statements other than statements of historical fact included in this document, including, without limitation, those regarding beliefs and expectations about the financial condition, results, operations and business of Provident Financial plc and its strategy, plans and objectives and the markets in which it operates, are forward-looking statements. Such forward-looking statements which reflect the directors' assumptions made on the basis of current information available to them at this time, involve known and unknown risks, uncertainties and other important factors and therefore undue reliance should not be placed on them, which include but are not limited to, changes in the general economic conditions in the markets in which Provident Financial plc operate and changes in government policy and regulation, which could cause the actual results, performance or achievements of Provident Financial plc or the markets in which it operates to be materially different from future results, performance or achievements expressed or implied by such forward-looking statements. Nothing in the document shall be regarded as a profit forecast and its directors accept no liability to third parties in respect of this report save as would arise under English law. In particular, section 463 of the Companies Act 2006 limits the liability of the directors of Provident Financial plc so that their liability is solely to Provident Financial plc.

1 The Group has adopted IFRS 9 from 1 January 2018. Statutory prior year comparatives have not been restated. The Group has provided unaudited pro forma 2017 income statement and balance sheet comparatives as though IFRS 9 had been implemented from 1 January 2017.

2 Adjusted profit before tax is stated before: £7.5m of amortisation in respect of acquisition intangibles established as part of the acquisition of Moneybarn in August 2014 (2017: £7.5m) and exceptional charges of £55.3m (2017: £224.6m).

3 The weighted average number of shares in the period prior to the rights issue in April 2018 has been adjusted to take account of the bonus element of the rights issue of 1.367 and EPS comparatives restated.

4 Return on assets is calculated as adjusted profit before interest after tax as a percentage of average receivables for the 12 months ended 31 December.

5 Common equity tier 1 (CET 1) ratio is measured against a fully loaded total capital requirement of 25.5%.

Our business model

We provide our customers with tailored and affordable products that match their specific needs, and we help them to handle the inevitable challenges that everyday life throws their way.

The resources and relationships critical to our success:

Our customers

Our 2.4 million customers are at the heart of what we do, they are the 20% of UK adults who at any one time are looking for something that mainstream lenders don't offer. We specialise in serving their needs and have adapted our business model to do so.

We create value for customers by helping them minimise the impact of any difficulties in an understanding way.

We collect payments due

We offer many ways to pay in cash and remotely, maintaining frequent customer contact. We stay close to customers through call centre, digital communications and face-to-face meetings in the home.

We manage arrears and customer difficulties

We establish early contact and an ongoing dialogue with customers who have difficulties, with a sympathetic approach, to understand and offer forbearance.

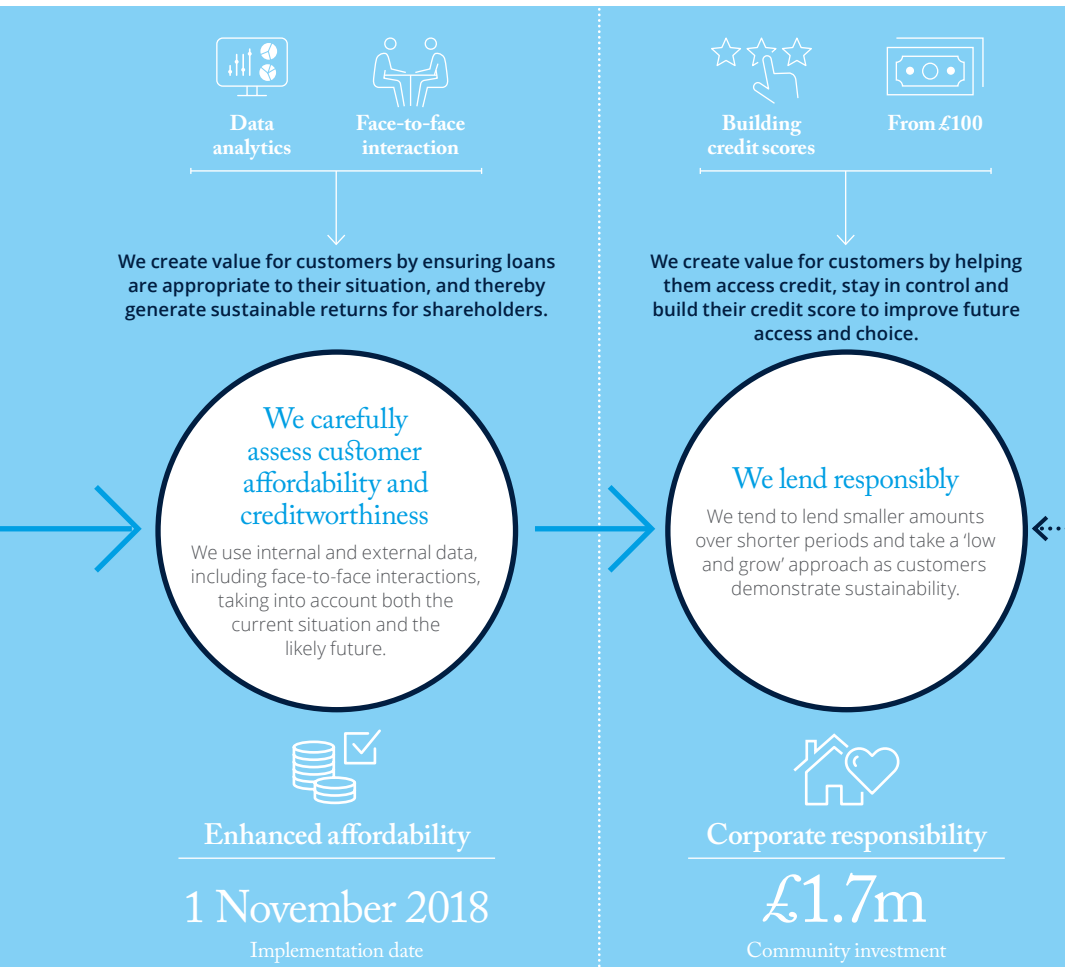

We create value for customers by helping them stay on track and adapt to life's challenges whilst building their credit score.

Sympathetic approach

Dialogue with customers

We create value for customers by ensuring loans are appropriate to their situation, and thereby generate sustainable returns for shareholders.

We create value for customers by helping them access credit, stay in control and build their credit score to improve future access and choice.

Our people

Our 5,700 people are critical to delivering our tailored and understanding business model, balancing the personal touch with the use of technology where customers increasingly want and expect it. See more about this content [pages 73-89](#)

Our communities

Our community investment strategy is aligned to our social purpose and seeks to invest in activities and initiatives which address the key factors that tend to reduce somebody's access to credit. See more about this content [pages 73-89](#)
